

Court of Appeals, State of Michigan

ORDER

People of MI v Craig Richard Pakosz

Docket Nos. **352918; 356192**

LC No. **2019-004301-FC**

Michael F. Gadola, Judge, acting under MCR 7.211(E)(2), orders:

The motion for page extension is DENIED WITHOUT PREJUDICE to appellant filing a motion to exceed the 50-page limit together with the proposed appellant's brief. MCR 7.212(B) requires a motion for leave to file a brief in excess of the 50-page limit to be filed along with the proposed brief. Thus, it does not contemplate a motion to exceed the page limit for a brief being filed before the contemplated brief exceeding the page limit has been completed. The requirement to file the proposed brief with the motion serves the purpose of allowing the Court to consider the content of the proposed brief in assessing whether there is good cause to accept the proposed brief for filing.
